

Reminder regarding Posting OSHA Form 300A

Injury and illness recordkeeping must be posted in the workplace on the OSHA Form 300A, Summary of Work-Related Injuries and Illnesses. By the end of January, employers must review 2014 injury and illness information and post the Form 300A in the workplace **February 1 through April 30, 2015**.

Please contact the Office of Standards Interpretation and Development at (502) 564-3070 if you have questions or need additional information.
