ORDER

Pursuant to KRS 342.265(3), upon lump-sum settlement of future periodic payments, the discount rate used in the calculation of the settlement amount shall be fixed by the commissioner. Before January 1 of each year, the commissioner shall fix the discount rate to be used in the succeeding calendar year based at one-half of one percent (0.5%) below the interest rate paid upon ten (10) year United States Treasury Notes as of August 1 of the preceding year. However, upon lump-sum settlement of future periodic payments in weekly amounts that are forty dollars (\$40) or less, the commissioner shall fix the discount rate used in the succeeding calendar year based at the interest rate paid upon ten (10) year United States Treasury Notes as of August 1 of the preceding year.

Accordingly, for the calendar year 2021, the discount rate for lump-sum settlements of future periodic payments in weekly amounts that are forty dollars (\$40.00) or less, is fixed at five-eighths percent (.625%). The discount rate for lump-sum settlements of future periodic payments in weekly amounts greater than forty dollars (\$40.00) is fixed at one-eighth percent (.125%).

This the 10<sup>th</sup> day of November, 2020.
